

FOR IMMEDIATE RELEASE

GOLDEN GATE VILLAGE PHASE 1 REVITALIZATION SLATED TO BEGIN MAY 2026

Marin City, CA – January 20, 2025— Burbank Housing and the Marin Housing Authority (MHA) have reached a milestone in the revitalization of Golden Gate Village. The project is moving into its relocation planning stage, with Phase 1 residents starting the process of signing their new leases and revitalization slated to start in **May 2026**.

Supported by partners such as Marin County, PG&E, and HUD, the project continues to move forward with a later project start date due to construction material availability. The priority remains clear: delivering high-quality renovations and returning residents to their homes as quickly as possible.

“With the support of our partners, we are one step closer to beginning this historic revitalization, and we look forward to starting the renovation of Phase 1 Golden Gate Village soon,” said Larry Florin, CEO & President of Burbank Housing.

“This milestone is a testament to the persistence of this partnership,” said Kimberly Carroll, Executive Director, Marin Housing Authority, “Despite challenges with the availability of construction material, we are moving forward with a clear path to revitalize this historic community. We appreciate the residents’ patience as we work to ensure every resource is in place to begin construction so we can welcome residents home as quickly as possible.”

Phase 1 revitalization and temporary relocation will occur in subphases to ensure continuity of housing. Residents will be provided 90 days' notice before any relocation, supplemented by frequent updates via the project’s official communication channels.

About Golden Gate Village

Built in 1961 and designed by Frank Lloyd Wright protégé Aaron Green, Golden Gate Village was created to house workers—many of them African American shipbuilders—after World War II. Now listed on the National Register of Historic Places, the 296-unit community remains home to nearly 300 low-income families. The revitalization of Golden Gate Village aims to preserve this vital housing resource, retain its historic character, and ensure long-term affordability for generations to come.

About Burbank Housing

Burbank Housing is a nonprofit affordable housing provider with over 45 years of experience building, rehabilitating, and managing affordable communities across the North Bay. Known for its commitment to long-term community partnerships, Burbank Housing was selected by the Marin Housing Authority to lead the revitalization of Golden Gate Village following a public process. The selection of Burbank Housing aligns with the Resident Plan's priorities, which center on community input, preservation, and affordability.

About Marin Housing Authority

MHA has served as Marin County's public housing agency, providing affordable housing solutions and rental assistance to low-income residents since 1942. As the owner and operator of Golden Gate Village, MHA administers federal housing programs, manages public housing developments, and works to preserve and develop affordable housing opportunities throughout Marin County.
